Subject: Late notification of planning application - 19/02137/ADV - 8 Chalmers Crescent EH9 1TR

Dear Jennifer,

The public notification of the application for advertising consent at 8 Chalmers Crescent EH9 1TR – 19/02137/ADV – occurred only yesterday, 28 June 2019. The automated e-mail notifications are sent overnight and I paste the relevant notification below, received this morning, 29 June 2019. The “Important Dates” tab on the entry on the planning portal shows:

Application Received Date	Thu 02 May 2019
Application Validated Date	Fri 07 Jun 2019
Last Date For Comments	Fri 28 Jun 2019
Determination Deadline	Tue 06 Aug 2019

It appears that, although the application was validated on 7 June 2019, by administrative oversight the application was posted late on the portal and so has missed the deadline for public comments. We know in our Association that applications such as these do raise significant concerns among some residents and we therefore consider it essential that the appropriate period be allowed for public notification and comment concerning this application. This is especially important as there has been no neighbour notification for this application.

Please therefore confirm that this application 19/02137/ADV will be reopened for public comment and that the determination will not be made until there has been adequate opportunity for public comment.

With thanks and kind regards,

Nigel Ayton
