Subject: Coronavirus - Making connections in the Grange X5678

Coronavirus – Helping others in the Grange

Thank you for registering to make connections to support each other during this difficult period for us in the Grange.

Our registers indicate that a suitable connection can be made as below, between the person(s) offering to provide help and the person(s) who have indicated that they would welcome support, based on the help sought and your respective locations.

Please use the information below to get in touch with each other to check what help may be required and establish what communication method suits you best. **When you have established communication, please reply to this email to confirm that is the case.**

Offering some help:

Helper ref:	H1234
Name	Steve Example
Address and postcode	34 Any Road EH9 9XX
Phone number(s) (landline and/or mobile)	07999 456789
Email	Steve.example@test.com
I am 18 or over and can assist with:	Shopping Collecting prescriptions Delivering newspapers Walking the dog Regular phone calls
Grange Association member?	No (Address validated)
Additional comments	Not available on Thursdays.

Would welcome some help:

Isolated person ref:	X5678
Name(s)	Susie Isolated
Address and postcode	84 No Place EH9 9XX
Phone:	0131 123 4567 (preferred) 07900 123456 (often not switched on)
Assistance required with:	Shopping Collecting prescriptions Regular phone calls to check Other (specify below)
Enter additional comments here. If you are not the person(s) named above, confirm that you have their permission to provide this information to us by entering your name and contact details below.	Susie is fairly mobile, but has medication to take every day and cannot keep track of it. She gets increasingly confused. She needs help with shopping for food and for collecting medication. She also needs to be checked (by phone) to ensure she is eating and otherwise OK.
Your email address	Peter.isolated@test.com (Son – Based in Glasgow)
Email address of person requiring help (if different)	susie.isolated@test.com (not checked often)

Many thanks,

Nigel Ayton
