Dear Sir/Madam

As the owner of the property referred to above, I hereby grant consent for the City of Edinburgh Council to erect a parking sign/signs, which I understand will be no larger than 0.25m², on my property.

I understand that the sign(s) will remain the property of the City of Edinburgh Council and that should I wish the sign(s) to be removed from my property, I may at any time make such a request in writing to the Director of Services for Communities.

I also understand that in carrying out this type of work there is some possibility of cosmetic damage to my property, but that every effort will be made by the Council or their representatives to avoid any such damage.
